Vestry Key Messages

October 24, 2024

- The date for the next Annual General Meeting (AGM) has been set for Sunday, February 9th, following the service.
- The first meeting of the Stewardship working group will be held on Thursday, November 7th. – if you are interested in helping to shape stewardship at Immanuel, please speak with either Bryan Sigurdson or Richard Simpson or plan to attend the meeting which will be held in the lounge beginning at 11:00 am.
- There is a special meeting of vestry on November 3rd at approximately 11:45. Vestry will focus on reviewing the revised draft Mission Action Plan and begin to set priorities, timelines, and responsibilities.
- Our expenses continue to exceed our donations and other revenues. Pat Hall, as our Treasurer has updated the forecast to the end of 2024. The deficit, which we thought would be $28,000 now is expected to be $31,000.
- As part of our Annual General Meeting, parishioners will elect a People's Warden and vestry members. A nominating committee with be struck in early December, and vestry is looking for someone to chair this very short-term committee. If you are interested or know of someone who would do a great job, please talk to one of your wardens – Rod Ashley or Jenny Williams.
- When St. James and St. Luke's buildings were sold, the proceeds were placed in a trust. A portion of the interest on that trust is coming back to Immanuel to help us to achieve our goals. Each of the Immanuel committees has been asked to submit proposals if they have ideas for special projects. If you have an idea for a special project, please speak to any of the vestry members for more information on creating a proposal. Proposals will be reviewed by a small group and recommendations taken to vestry.
- Immanuel has a policy and procedure manual that was put in place in early 2021. The standard practice is for policies to be reviewed every 2 years. Committees have been conducting these reviews, and 2 policies were brought forward for approval of vestry in October. If you are interested in viewing the policy and procedure manual, or obtaining a copy of it, please speak to Max in the office.
- Note that the Buildings and Grounds Committee has issued a request for quotes to replace the windows in the hall. Terry Page is leading this initiative (THANKS!) and if you have any questions, please talk to him.
