

SEPTEMBER SPOTLIGHT ANDREW MACPHAIL

Andrew MacPhail is our spotlight candidate for September. He is quite heavily involved behind the scenes at Immanuel. He is a member of Vestry, he sits on the Technology Committee, is a teacher in our Sunday School and helps out on Vacation Bible School Days when elementary schools are closed.

Andrew was a parishioner at St. Luke's before Immanuel was formed.

His outside interests include Martial Arts (he teaches Tae Kwon Do), working out at the gym, and hanging out with friends. We are grateful to Andrew for the many ways he helps out with the children in our parish, as well as helping to keep things running well through his work with Vestry.

As many of you know, his mother Susan is another parishioner who wears many hats and does a lot of planning and organizing for Immanuel. Thank you, Andrew and Susan!
